

What are CC Groups?

CC Groups, which stands for "Coffee & Community Groups," are intentional discipleship and accountability groups. They create natural environments where real life issues and struggles can be met with the truth and hope of Jesus through the unity of believers. These are gender-specific groups of no more than 4 people. Your group will meet weekly over coffee, lunch, breakfast, Skype, or whatever else may work for your group.

These groups have just enough structure to keep you moving but are intentionally relaxed enough where they enable natural conversation and interaction.

There are three main discussion starters for the group each week:

- 1. WHAT IS GOD UP TO RIGHT NOW IN YOUR LIFE?**
- 2. WHAT HAVE YOU BEEN STUDYING? HOW IS GOD SPEAKING TO YOU?**
- 3. HOW ARE YOU DOING? HOW CAN WE PRAY FOR ONE ANOTHER?**

Your group may decide to walk through Scripture together. In which case, you can choose your own Bible reading plan or we have created over two years of material that you can choose from! We have created both a "DEEP" material option where you take an in-depth look at Scripture and a "WIDE" option where you will walk a little quicker through the text.
